Practice

Principal Areas of Practice Include:

- Clinical Negligence
- Professional Negligence
- Personal Injury
- Disciplinary Tribunals
- Public Inquiries
- Fatal Accident Inquiries

Marion has considerable experience in a wide range of civil litigation, public inquiries, Fatal Accident Inquiries and professional disciplinary tribunals. She is familiar with the demands of lengthy, complex & high value litigation.

She has a particular interest in claims for catastrophic injuries, brain injury, clinical negligence and for occupational stress, bullying and harassment. Much of her work is in cases concerned with professional and medical negligence, acting both for pursuers and defenders. Marion is a CEDR accredited Mediator.
